\$Dollar amounts relate to the return on value of a \$10,000 account for the month using the recommended leverage as defined in the Day Trading Course and the Trading School course. Results report are actual results of our trading account. The trading account trades with \$20,000 but uses the recommended margin for \$10,000 as it may need to take 2 positions in the market where a new trade is initiated but a current trade has not expired. Please compare monthly results as some trades do not work as well as others in some months.
